ABOUT US:

BeHelpful

#beingkind

This is a Society Service based website where we are trying our best to serve people who really need food, cloths and other necessary things.

AGENDA

DONATION MANAGEMENT SYSTEM

To create a web application for the management of the donations and also serving the poor people of the society at the same time.

REDUCE LACK OF AWARENESS

To reduce the differences of the societies and create a understanding environment

REDUCE POVERTY

To provide the sufficient food and cloths for the needy once and fulfil their requirements as much as we can
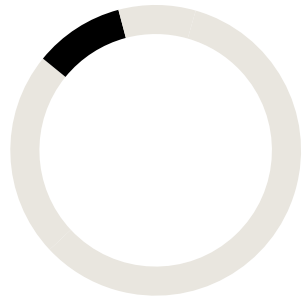

EASY INTERACTION BETWEEN DONOR & VOLUNTEER

To create a system in which a volunteers are interactive and helpful for the society
